

## Two Home Visiting Reports Released!

Our new report, [Oregon's Early Childhood Home Visiting System Landscape](#), offers key insights and recommendations for improving the Early Childhood Home Visiting System. The System Landscape highlights Oregon's efforts to strengthen (1) Cross-Sector HVS Governance, (2) Coordinated Intake & Enrollment Systems, and (3) Family Leadership. It showcases regional innovations and identifies ongoing barriers to advancing home visiting systems statewide.

- An **Executive Summary** of the Report is available in [English](#) and [Spanish](#).
- The appendices of the report include an **Overview of Home Visiting Programs** in Oregon by county and program model in [English](#) and [Spanish](#).

### Home Visiting Workforce Study

The Center for Child and Family Services recently released the third learning brief in a series based on a 2023 survey of Oregon's home visiting workforce. This brief focuses on the impact of racism and bias on worker well-being and highlights the role of antiracist leadership and supportive environments in improving job satisfaction and retention. This document is available in [English](#) and [Spanish](#).
